NEWSLETTER

Founded in 1963

Affiliated with the American Orchid Society

In 1963, the Eastern Airlines Orchid Club was formed to foster good fellowship through the common love of orchids in all their forms and varieties; to share both the knowledge and techniques of culture and the mystery and beauty of the plants and flowers.

Visitors Always Welcome

PRESIDENT'S MESSAGE

The pandemic is slowing abating. However, we're still not out of the woods. So, please keep your guard up and stay safe.

We are still looking to hold our first "in person" meeting in September. FIU will be communicating with us in August. At that time,

we'll have more information as to how we will be running meetings.

With Covid-19 in mind, the board members have already determined that only pre-packaged snack foods and drinks will be provided. That is all we know for now. Additional information is forthcoming.

Until then, stay well and plan to attend our first meeting.

Your president,
Chris

PROUD BLOOMS

Since members cannot share their orchids in person during the suspension of meetings, we can still share their pride and joy plants.

Please continue to send your photos of blooms from your yards and greenhouses. We will continue to post all contributions in the upcoming newsletters.

Without your contributions, they will be very small newsletters. LOL So, grab your camera and e-mail those pictures.

Note: It doesn't have to be an orchid to share!!!
