PRESIDENT'S MESSAGE

So far, South Florida has been fortunate to not be in the path of a hurricane. However, we need to express sympathy and support for those affected by Hurricane Helene.

Proudly, 10 club members have offered to volunteer for the upcoming Rare Plant and Orchid Festival. Karina Motes will contact those

individuals when the schedule has been created. Thanks go to all who offered to help the club.

You will be receiving holiday party information soon, including a request for members to be involved in the operation. Hopefully, you will be able to volunteer. More information will follow.

Your president,
Chris Rawls
