PRESIDENT'S MESSAGE

We have experienced a pandemic and heat index records. Now, it's hurricane season. There already have been multiple named storms. Hopefully, we will not experience one this year.

During the August meeting, acquiring program speakers was discussed. Having viewed an

excellent AOS instructional video, it was agreed to use these videos again, when needed. Again, thanks go to Ralph, Alexis and Jorge for endeavors to schedule programs.

Please consider bringing friends and family members to the meetings. Club members are the best resource for recruiting new members.

Your president,
Chris

“PROGRAM THANKS”

As previously reported, the toughest job for the club is arranging for monthly speakers. Ralph Hernandez faces that challenge every month. To Ralph’s relief, this month accolades are sent to Alexis Dominguez for taking charge of arranging for an AOS instructional video, as well as running it during the August meeting. Thanks so much, Alexis!!!
