PRESIDENT'S MESSAGE

First, I want to share a comment made by Ernest Alexander Romanov on FaceBook. He recommends the club and stated, "great group of like-minded individuals". EALOC couldn't be described better!!!

With that said, please remember that this pandemic will eventually end, even though we may have a "new normal. So, please hunker down and know that we'll be together again. We just don't have a date at this time.

We'll have elections so that we'll be ready to start. It can't be stressed more that we need more active members. Please consider helping.

Your President,
Chris
