PRESIDENT'S MESSAGE

Summer is coming to its 2011 conclusion. It's not easy to recognize the seasons here in South Florida, but autumn begins on September 23rd.

Vandas that need new baskets should be in them by now. Dendrobiums and Cattleyas can still be repotted if they are showing new roots.

Speaking of repotting, please remember to set aside those cuttings for our auction on November 18th. It's our only fundraiser of the year.

We have had a lot of rain at night, perfect for fungus. So protect your orchids with fungicide and be on the lookout for black rot if they take a fall off their benches.

See you all on September 16th.

Your President,
Danny Lutz

MEMBERSHIP

OH NO!!! DUES ARE PAST DUE!!!

There are many members who have not renewed their membership. It must be paid at the upcoming meeting to be eligible to get a holiday plant at our December party. If your membership card (the white one) has an expiration date of 6/10, then, you have not renewed. Please see Barbara Lutz at the meeting or mail her a check made out to EALOC for \$12.00 per person. Please mail to: 10442 Catalonia Ave, Coral Gables, FL 33134.

NEW MEMBERS

We have one new member from the August meeting.

Michelle Barros

SUNSHINE UPDATE

Irene Bliss is feeling much better. She has been able to go back to work for several hours each day. However, her husband, Ted, was recently in the hospital. He, too, is at home and doing well.

Roselle Foster continues to work hard at the therapy and is doing well. Her recovery is slower than she would like, but she continues to improve.

We hope to see them both at the September meeting.

If you know of anyone else under the weather, please call Diane Dickhut at 305-385-4007. She will send a card from the club members.

PLANT RAFFLE

Plants this month were donated by Larry Cox. Thanks for his generosity. We greatly appreciate him!!!

AUGUST PROGRAM

The speakers will be Larry Cox and Ernie Barham. They will be speaking on Multifloral Paphiopedilums.

REFRESHMENTS

We have just 10 monthly meetings per year. We ask two members to sign up each month to bring refreshments. We have approximately 50 households as members and 75 members. It was announced at the last meeting, since no one had signed up to bring in refreshments, that in the future, if no one signs up, we will have soft drinks only.

If it's been a while or you have never brought refreshments, it's really easy. The club will reimburse you if you wish. Just give your receipts to Roselle Foster or Diane Dickhut at the meeting. You may buy everything ready made or buy the ingredients and treat us to some homemade goodies.

You will need to bring just three sodas, 1 regular, 1 diet and 1 caffeine free, as well as 1 bag of ice. The club supplies all the "paper goods" i.e. plates, cups, napkins, plastic ware, etc.

Please sign up at the next meeting.
