## **PRESIDENT'S MESSAGE**

**December came quickly! It's hard to believe that soon it will be a new year, 2021.**

**With the new year, hopefully, the vaccines will be effective and widely administered in due time.**

**We know the pandemic will end, but it should be sooner than later. Eventually, the club will be together again. Everyone is missed and it's going to be a welcome time. Until then, continue to stay safe and healthy.**

**Your president,  
Chris**

## SHARING BLOSSOMS

Since members can't share their orchids in person during the suspension of meetings, we can still share their pride and joy plants.

Please continue to send your photos of blooms from your yards and greenhouses. We will continue to post all contributions in the upcoming newsletters.

Without your contributions, they will be very small newsletters. LOL So, grab your camera and e-mail those pictures.

Note: It doesn't have to be an orchid to share!!!
