## PRESIDENT'S MESSAGE

Guess what! **WE ARE RETURNING TO F.I.U.** for the September meeting! Yes, you heard right! After a year's absence, the W130 classroom has been renovated and we will be meeting there on September 20th.

I have been by there, and it really looks beautiful! In case you've forgotten how to get there, travel down SW 8th Street and turn at the light that is between the two parking garages. The street that goes between the two parking garages is 109 Avenue. We may park on the first floor of the garage on the right. The classroom is directly across from the garage, next to the Conservatory.

Our auction on November 15 is our only fundraiser, which supports our educational programs, raffle tables, field trips, picnic and holiday party. So, don't forget, when repotting, to set aside those cuttings, complete with name tags and pictures, if possible. We gladly accept and appreciate all donations that are plant related

In July, Danny and Barbara Lutz brought in a beautiful and unusual schomburgkia for judging. In August, Danny broke the plant into five pieces for the silent auction. It brought in \$97.00 which they donated to the club! That was such a generous thing to do! Thank you both!

I look forward to seeing everyone at the meeting at F.I.U.!

Your President,  
Diane

## ZOO NEWS

We have a lot of orchids to put up, but not a lot of time. We hope to get a larger group together in September. We have gotten permission to take other vehicles into the work area so we can get more people in.

We have also had slave labor come in to the greenhouse to weed and clean up. It's a thankless job, but we want to say "Thank You". Thank You, Danny!

## EALOC AUCTION

PROMO...

Mark plants you want to donate for the auction. Plants always bring a better price in bloom or with a picture of it when it was in bloom.

Auction is the third Friday in November, a great time for Thanksgiving gifts and for those early holiday parties!
