SEEKING RAFFLE GURU

Dean and Suellen Powell have been the “raffle gurus” for many years. They want to retire and, hopefully, a club member will be willing to take over this job.

Plant raffles are extremely important to the club since this is a major source for the club. It takes about an hour to prepare the tickets for each meeting.

If you agree to help, please email Diane Dickhut at tripled743@att.net.
