PRESIDENT'S MESSAGE

Happy New Year to All!!!

I hope everyone had a great holiday season and enjoyed time with family and friends. With the new year coming in, "Cold Weather" can't be far behind. We have had a very mild start to the winter, but even I don't think it will last. Be

prepared. Identify cold sensitive plants that need protection in the 50's, those that can wait until the 40's, and I don't want to think about the 30's! We need to stay on guard until late February.

See you on January 20.

Danny

ZOO NEWS

The Zoo orchids are loving the mild winter. We have had a number of Vandas “POP” for all the visitors over the holidays.

We are going to get a joint outing with COS and Coral Gables so their members can get a hands-on feel for what we do. Hopefully they can start their own programs at Zoo Miami in the new Florida Exhibit and Amazon and Beyond.

PARTY REVIEW

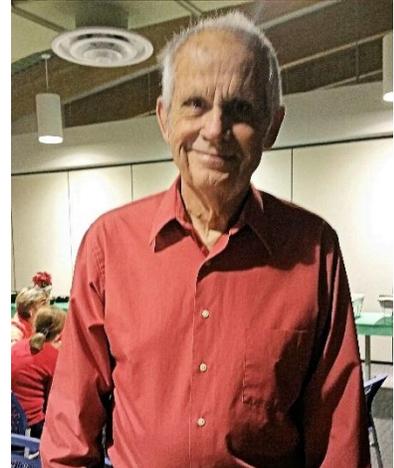

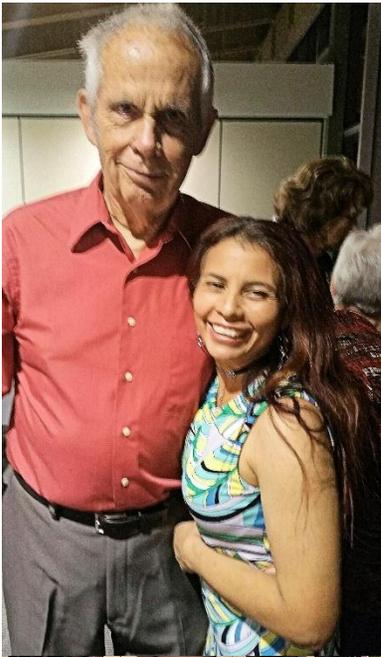

Everyone seemed to enjoy our holiday party last month. Barbara would like to thank Terry and Bob Moore for helping to get everything to the Zoo. Also, thanks goes Terry and Bob, and Suellen and Dean for helping with the setup.

There was a lot to accomplish. Thank you Renny and Pat for picking up the side dishes at the caterer's and delivering them. A big thank you goes to those who pitched in to help with the cleanup.
