PRESIDENT'S MESSAGE

Please be advised that there are changes regarding where we **MUST** park now at FIU! Last month, several members received tickets even though we have been parking in the same place for years.

THE RULES HAVE CHANGED! SO, BE AWARE! Please take note of the following guidelines:

- Do NOT park in any ADMINISTRATIVE or EXECUTIVE parking spaces!!!!
- DO park on either ramp, going up toward the second floor! These spaces are marked FACULTY or STAFF!

Continue reading about the new parking policy on pages 2 and 7 of this newsletter.

See you at the meeting!!!

Your President,
Diane

GARAGE PARKING

At the January club meeting, several members received parking tickets in the parking garage. The problem was resolved.

To avoid any additional problems, please be advised that we should NOT park in the section marked for "Administration/Executive" which is located on the ground floor, closest to the classroom.

Instead, please park on the first parking incline as you enter the building. This incline leads to the second floor.

Parking in the administrative/executive spaces will be at your own risk. Tickets will be issued!!!

(See last page for another reminder.)

SHARE AND LEARN

We highly encourage everyone to start bringing their plants. Every plant is worthy! There are no mistakes in nature and it is hoped that you will bring in your treasured specimens so that all can appreciate them, as well as enhance everyone's knowledge.

On a trial basis, plants will not be awarded ribbons. Instead, the plants will be presented in a "show and tell" format. Thereby, there will be discussions for the purpose of sharing and learning.

BRING YOUR BELOVED PLANTS TO SHARE!!!
